Paraway*

Paraway* is a vegetarian dietary supplement that contains a combination of plant extracts that support the body's elimination of unwanted microorganisms while helping to maintain proper immune system and G.I. tract functions.*

Paraway* is designed to support:

- Detoxification and the elimination of unwanted microorganisms*
- The Immune System *
- The Gastrointestinal Tract*
- Healthy Cell Function*

About the Nutrients:

- Olive (*Olea europaea*) Leaf Extract yielding oleuropein supports antioxidant and immune system functions within the body.* Olive Leaf Extract has been used traditionally to help the body eliminate unwanted microorganisms.*
- Wormwood (*Artemisia annua*) and Pau D'Arco support the healthy functioning of the digestive, respiratory, immune, and circulatory systems.* They help support detoxification within the body and help decrease the levels of unwanted microorganisms within the body.* They also support healthy cell functions and help regulate inflammatory processes within normal ranges.*
- Grapefruit Seed Extract assists the body in maintaining healthy bacteria in the G.I. tract while helping to expel unwanted microorganisms like bacteria, protozoa, viruses, and fungi.*
- Black Cumin (*Nigella sativa*) Seed and Garlic extract (odorless) help support healthy circulatory, G.I. tract, respiratory, immune, and detoxification processes within the body and help eliminate pathogens and parasites from the digestive tract.*
- Black Walnut (*Juglans nigra*) Green Hull supports normal cell function and contains tannins that have an astringent effect on mucosal tissue.*
